## About: Press Forward: A Book of Mormon Family Musical: THE VIDEO!

Created from footage of the stage show at the LDS Conference Center Theatre, in April 2016, written and directed by Carrie Maxwell Wrigley, and produced by the Sandy Utah East Stake.

The show features Bruce Sullivan (*Lehi*); Carrie Wrigley (*Sariah*); Jaron Briggs (*Nephi*); Chris Mounteer (*Laman*); Josh Krebs (*Lemuel*); Grant Langston (*Sam*); Michael Wrigley (*Young Nephi*), and a talented cast of over 80 men, women, and children from the Sandy Utah East Stake.

5 different cameras provided both wide and close-up shots of the action, with dozens of different Conference Center microphones, at 4 different performances, providing optimal sound. This video and audio input was edited by a team headed by Josh Krebs, to give a personal, close-up view of characters, emotions, action, and music that bring the Book of Mormon to powerful new life.
